

## ADVANCE YOUR CAREER

Mitacs Accelerate supports collaborative research between research interns, a faculty supervisor, and a non-academic partner. You receive a **stipend that starts at \$10,000**, gain experience beyond your academic institution, and increase your employability and professional networks.

### Who is eligible?

- All academic disciplines
- Students at colleges and polytechnics, and graduate students and postdoctoral fellows at universities
- Canadians, permanent residents, and international students
- Companies in Canada and abroad, including student-led start-ups and approved not-for-profit organizations operating in Canada

### Fast and flexible research funding

- Applications accepted anytime
- 6–8 week evaluation
- Projects start at four months and can scale up depending on research needs
- Research can form part of your thesis or dissertation
- The Accelerate Fellowship provides longer-term funding and professional development training

Get started at [www.mitacs.ca](http://www.mitacs.ca).

Mitacs Accelerate is a national research internship program. Since 2003, it has supported over 10,000 collaborations between research interns, faculty supervisors, and partner organizations.
